The Diet's deliberation of the "Election of the Prime Minister by Popular Vote Bill" was complicated,
as an uproar was caused by the members of the opposition during the regular session of the lower house when they approached the speaker's seat.
The deliberation has been suspended for now. Furthermore, the extent of the chaos and tension is still intensifying.

HUUUH"? I HATE STUDYING""
THE ONLY ONE THAT'LL BE TROUBLED BY THAT IN THE FUTURE WILL BE YOU
SAY, WHAT'S A PUBLIC ELEC TION?
READ A NEWSPAPER OR SOME THING AND STUDY A LITTLE, YOU TWO
. This is footage from the interview with Chief Secretary Sugawara of the ruling Constitutional Democratic Party
11
I would like a strict opinion from every citizen in regards to the "Election of the Prime Minister by Popular Vote Bill"...
I would like to deeply apologize for any points anyone was uncertain about, at the same time, I wish to be polite..
However, breaking down the Japanese outlook which is blocking the draft of this law at present is much more important... everything is for the sake of the lives of every citizen...

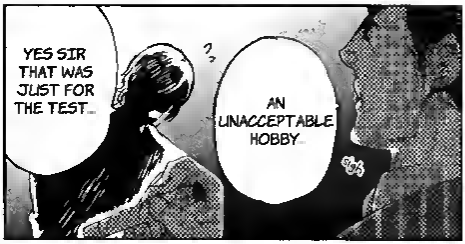
WHAT DO YOU THINK OF THE LATEST RESULTS?
IF WE COMPARE THIS VERSION 4.3 WITH THE INITIAL DESIGN VERSION 14
THE ABILITY OUTPUT HAS INCREASED BY A LARGE MAGNITUDE. IN ONLY A FEW SECONDS THEY CAN TUNE INTO THEIR OPPONENT'S BRAIN WAVES AND DESTROY THE BRAIN BY EITHER CONSTRICTING IT OR EXPANDING IT.

IT SEEMS THINGS ARE PROGRESSING FAVORABLY.
HM. NOT BAD.



YES SIR THAT WAS JUST FOR THE TEST...
AN UNACCEPTABLE HOBBY...

WELL, I HAVE HIGH HOPES FOR THE COLLABORATION BETWEEN US AND THE PROGRESS FROM NOW ON.

HOWEVER MAKING THE BRAIN SPRAY OUT EVERY TIME IS

WHOO!'S !!
YOU FOOL!! I'M NOT DOING THIS FOR MY OWN SELFISH DESIRES!!
SFX: T/F
MY MISSION HAS ALWAYS BEEN FOR ONE THING
IF WE CAN PASS THE PUBLIC OFFICE ELECTION LAW AND DEPLOY THESE GUYS
THEN FINALLY POWER WILL COMPLETELY FALL INTO A SINGLE HAND!!

FOR THE CITIZENS.
AND ONLY THAT.

THE "UB". HUH?
HISS

HMM... FOR NOW, HE'S SHOWING NO SIGNS OF TRYING TO EAT THE MEAT...
